ORDER:

The Managing Director, Andhra Pradesh Beverages Corporation Limited in the reference second read above has stated that the Andhra Pradesh Beverages Corporation Limited has been conferred with the privilege of dealing with Indian Made Foreign Liquor and Foreign Liquor. The Corporation, as a trader has been dealing mostly with Indian Made Foreign Liquor, as the demand for Foreign Liquor is not much. The usual practice hitherto is whoever applies for foreign liquor, the Corporation used to procure it and then distribute the same to them. Since the quantity is less, there was no necessity to give tender and procure foreign liquor on a large scale on par with domestic liquor.

He has further stated that though the Corporation has been dealing with foreign liquor, right from 1998-99, on par with domestic liquor, the tender process was not adopted for procurement purpose. But now, since the European Commission has raised the issue of market access before the Dispute Settlement Machinery of the World Trade Organization, it has been decided by the Board to float a tender inviting offers for supply of foreign liquor.

The Managing Director, Andhra Pradesh Beverages Corporation Limited has requested the Government to issue necessary instructions to float tenders inviting offers for procurement of foreign liquor.

Government have examined the matter carefully and hereby accord permission to the Andhra Pradesh Beverages Corporation Limited to float tenders inviting offers for procurement of foreign (imported) liquor.

Government hereby entrust the task of negotiation with Tenderers in respect of Foreign (imported) Liquor to the Committee constituted to conduct negotiations with the Tenderers in respect of domestically produced liquor in the reference first read above.

The Managing Director, Andhra Pradesh Beverages Corporation Limited shall take necessary action accordingly.
